Update on Research and Care for the Concussion Spectrum of Disorders
Friday, April 21, 2023 | Hybrid: Zoom & BMO Education & Conference Centre

Submit Your Abstract & Register Online

You are invited to submit an abstract for consideration for presentation at the 10th Annual Concussion Research Symposium entitled Update on Research and Care for the Concussion Spectrum of Disorders hosted by the Canadian Concussion Centre at The Krembil Brain Institute, Toronto Western Hospital on April 21, 2023.

This year's conference themes are:

- Prevention of Concussions and its Consequences (Persisting Concussion Symptoms and CTE)
- Detection of Concussion and Prediction of Outcomes (Biomarkers)

Invited speakers include:

Dr. Ann McKee
*Neuropathologist,
Boston University, USA*

Dr. Katherine Possin
*Clinical Psychology,
University of California
San Francisco, USA*

Katherine Snedaker
*Founder, Pink
Concussions*

Dr. Javier Cardenas
*Vice-Chair of the
NFL Head, Neck &
Spine Committee*

Additional invited speakers to be announced

Research topics for presentation include clinical or experimental projects on Mechanisms of Concussion (e.g. Sports and Recreation, Motor Vehicle Crashes, Falls in elderly, Work-Related Injury, Intimate Partner Violence), Biomarkers, Concussion Policy, Effect of Concussions on Family, Friends, and Caregivers.

Format: Structured abstract of 250 words or less with title, presenter(s) (without degrees), and the following headings: Background, Objective(s), Methods, Results, and Conclusions. Selected abstracts will be published in the program and posted on our website after the conference.

To submit your abstract, send it to conferences@uhn.ca.

Deadline for abstract submission: March 17, 2023

Notification of acceptance: March 31, 2023

Concussion Public Forum on Thursday, April 20, 2023: In association with the 10th Annual Concussion Research Symposium, there will be a public forum entitled **Concussions and their Effects on the Person, the Family and Friends.**
